ENVIRONMENTALLY SAFE, NON-TOXIC GROUNDCOVER STABILIZER

MulchCrete is a nontoxic, water-based adhesive which bonds and stabilizes groundcover while allowing water and fertilizer to penetrate to the plants. This environmentally safe product is also extremely effective when used for dust control in many situations. It is ideal for use with:

Pine Straw & Mulch Bark • Rocks, Gravel & Pebbles • Sand & Dirt

APPLICATION RATE: Mix MulchCrete 2:1 with water. Spray liberally over the area to be treated until wet with the solution. (The amount of bonding can be controlled by adding more product for stronger coverage.) Multiple treatments make for a stronger coverage; troubled areas should be treated with a second coat. *Do not apply undiluted product.*

APPLICATION DETAILS: Area to be bonded needs to be dry and temperature above 45°F; Precipitation should not be in forecast for at least 12 hours; Thoroughly coat area to be bonded (entire surface must be coated in order for bonding to occur); Allow to dry completely for 12 hours; Product goes on as a milky white solution but will dry clear.

CLEAN-UP INFORMATION: Clean-up should be done before product dries; Clean any equipment used with sufficient amounts of clean water and wipe surface with a damp cloth.

SAFETY INFORMATION: Keep Out of Reach of Children. Avoid contact with skin. If product comes into contact with skin, wash thoroughly with soap and warm water. In case of eye contact, wash thoroughly with clear water for 15 minutes. If irritation persists, contact a physician. If swallowed, drink large amounts of water and seek a physician immediately.

STORAGE INFORMATION: Product should be stored in a climate-controlled environment between 45° – 95° F; Store in a cool dry location; Avoid freezing; Keep container tightly closed; Dispose of empty container when done.

ENVIRONMENTAL PROTECTION: If spill occurs, spread absorbent material on spill and collect in suitable container for disposal; Disposal should be in accordance with methods set forth by Local, State, and Federal regulations.

NOTICE TO BUYER:

Users must exercise all due judgment and caution when applying the product. Limitation of Warranty and Liability: Geoponics Corp., and/or any other seller, warrants only that this product conforms to the chemical description on the product label. No other warranty, either expressed or implied, as to merchantability, fitness for a particular use, or otherwise shall apply. Purchaser's exclusive remedy for loss or damage related to the purchase and/or use of this product shall be limited to the refund of the purchase price only. Buyer assumes all the responsibility for safety and other uses not in accordance with directions. By using this product, you are deemed to have accepted the terms of this notice.
